

JUNE

Inspiration Station South

This and That

May flew by while we talked about all things bugs. We explored science by blowing up a balloon with a chemical reaction; created a tornado in a bottle; and watched while the colours on Skittles made a rainbow.

A lot of butterflies can be seen flying around our classrooms. In June we will be talking all about **OCEAN**.

I caught a Fish

1 2 3 4 5

Once I caught a fish alive.

6 7 8 9 10

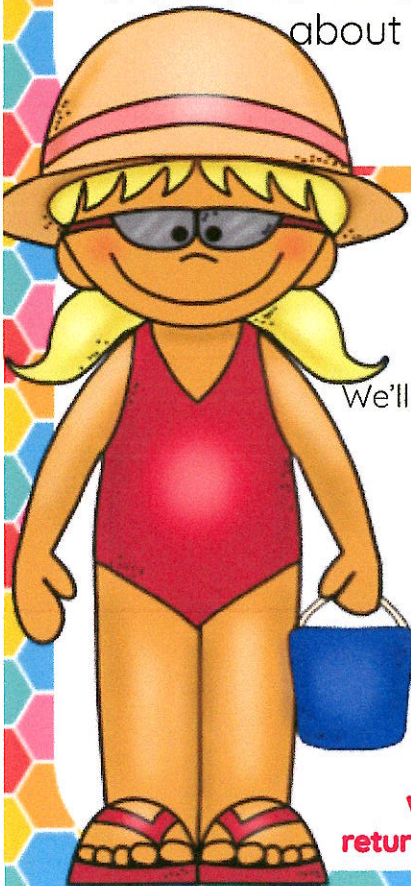

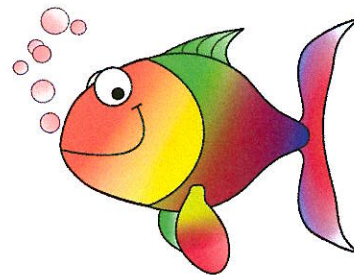

Then I let it go again.

Why did you let it go?

Because it bit my finger so.

Which finger did it bite?

This little finger on the right.

June 3 and 4

Walk to the park. Please dress your child for the weather including appropriate footwear and sunscreen.

June 14/15

We'll be celebrating summer birthdays during class on these days.

June 21/22

Indoor playground days.

June 23

Activity Day

June 24/25

Photo Farewell Day - information to come

**There will be some messy play days coming up; we will try our best to make sure nothing gets on your child's clothes.

Thanks so much for sharing your children with us this year. It has been both a pleasure and an honour teaching each and every child! We wish all the very best to those that are moving on! Those of you that will return in September, have a super summer and we will see you in the fall.
