Located down the hall from our South Preschool, The Village Kindergarten offers small classes (12 students/class) following the AB Education curriculum and teachers are Alberta Education Certified. The Village is the perfect transition to the 'big' school.

We are offering **tuition free 1/2 day classes and full day classes for \$350/month** (including lunch supervision).

Head to www.thevillagekindergarten.com to complete an application. Once accepted, a non-refundable \$100 registration fee is required. This fee saves a space and will cover supplies for the classroom. You can e-transfer to airdriefoundation4@gmail.com with the password **kindergarten**

See the space on Fridays between 10am - 2pm

*"I am grateful this Kindergarten has opened its doors.
It has been a blessing for my daughter."*
